

AMENDMENT UNDER 37 C.F.R. § 1.114(c)
Appln. No.: 09/488,969

Attorney Docket No.: A8520
IBM Ref. No. STL000017US1

REMARKS

This Amendment, submitted in response to the Office Action dated March 6, 2006 and Advisory Action dated May 31, 2006, is believed to be fully responsive to each point of rejection raised therein. Accordingly, favorable reconsideration on the merits is respectfully requested.

Claims 1-15 are all the claims pending in the application. Independent claims 1, 6 and 11 have been amended to recite “wherein said content entity comprises information to be published.” The Examiner cites the structure rules of Tabuchi (USP 6,606,633) for teaching the claimed content entities. However, it would be apparent to one of ordinary skill in the art that the structure rules of Tabuchi do **not** comprise information to be published. For at least this reason, claims 1, 6 and 11 and their dependent claims should be deemed allowable.

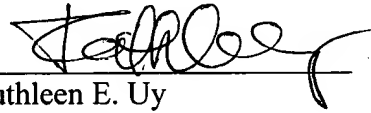

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
